PRESS STATEMENT

7th October, 2015

1. Today, Uganda Peoples Congress is celebrating and marking 48 years since the Foundation stone for Uganda House “The National Headquarters Building” of Uganda Peoples Congress was laid. Uganda House was, is and shall remain the Uganda Peoples Congress’ National Headquarters Building as it is in foundation stone laid on 7th October 1967 despite the attempt by a few individuals to rewrite history by way of intimidation and initiating trumped up charges against UPC members.

It is important to note that however much we attempt to rewrite the historical facts or claim that we cannot be hostages of history; one cannot deny the glaringly obvious facts.

It is sad today 48 years down the road to note that a clique within MOF, some of whom were seconded to join MOF by UPC and tasked to ensure that the UPC interests in MOF are catered for, have turned out to promote self-interests rather than the interests of the Party and have assumed the authority and power to decide on who accesses Uganda House. We wish to categorically state to all UPC members that UPC members do not need permission from the said individuals to access their National Headquarters. We instead encourage all UPC members and well-wishers to be free and access UPC office without fear.

Mission: A social democratic party that seeks to safe guard national independence and promote national unity, equality, equity and human rights for all.

Vision: An independent, united, democratic, just, peaceful and prosperous nation, where all its citizens have equal opportunities and equitable access to national resources.
